

ADmits DIVORCE WAS OBTAINED ON FALSE REPORTS

New Lawyer for Husband
Who Got Decree Makes
Remarkable Revelations.

THE CASE IS REOPENED.

Judge Thanks Mr. Greenstein
for His Action in Vindicating
Falsely Accused Wife.

Justice Crane, in the Special Term of the Supreme Court, Brooklyn, delivered a brief but impressive address to-day in which he condemned the practice of secrecy in divorce proceedings, giving it as his opinion that in this way many cases of perjury and misrepresentation were covered up.

Lawyer Martin H. Latner, of No. 360 Fulton street, appeared before Justice Crane and asked for counsel fees and alimony for Mrs. Beattie Bernstein, of No. 81 Fifth avenue, Brooklyn. Her husband, Henry Bernstein, a merchant, of No. 22 East One Hundred and Fifteenth street, Manhattan, had a suit for divorce against her, and his lawyer, Maurice M. Greenstein, made quite a sensation when he said that he would not defend the application for counsel fees and alimony.

"My client," he said, "has no evidence against his wife. She is absolutely innocent of infidelity and has been the victim of a divorce conspiracy. My client brought suit on evidence submitted by a lawyer named Leopold Bloomberg, of No. 34 Graham avenue, and B. Workman, a young man who said he could prove that Mrs. Bernstein had lived with a man named Ginsberg at No. 181 Harrison avenue.

"Workman claimed to have served the papers on her at this address and so testified in court when the case was tried on Dec. 2. On the strength of this Mr. Bernstein got the divorce. My client, of course, stopped sending his wife money and she had him arrested for non-support a few days ago. In court he explained that he was divorced and then we found that that was the first Mrs. Bernstein knew of the decree. Workman had never served papers on her and upon investigation we found that she was innocent of the charges he and Bloomberg made."

Mrs. Bernstein's lawyer having made an application to open the case, Justice Crane said it was one for the Appellate Division and that he would see that it got there. He gave orders for the arrest of Bloomberg and Workman, and said that the Court was indebted to Lawyer Greenstein for his action in the matter. He also said that if the newspapers were allowed access to the documents in divorce cases there would not be so much perjury nor so many false addresses given.

POILLON SISTERS GET ANOTHER WRIT

Lawyer Greenberg Once More
Postpones Their Start for
the Penitentiary.

The sensational Poillon sisters, Katharine and Charlotte, were scheduled to depart from the Tombs for the penitentiary on Blackwell's Island at 10 o'clock to-day, but their resourceful lawyer, Meyer Greenberg, who produces a writ like a magician, procured a writ of habeas corpus, and temporarily saved them again. Just before Deputy Sheriff Bell got ready to start Katharine and Charlotte on their trip the energetic Mr. Greenberg loomed up with a writ of habeas corpus.

This writ was issued by Justice Miller, of the Appellate Division of the Supreme Court, Brooklyn. It calls for the production of the Poillon sisters in that court to-morrow morning at 10:30 o'clock. The service of the writ acted as a stay upon the Sheriff, and Katharine and Charlotte remained in the Tombs.

Mr. Greenberg had two writs of habeas corpus turned down by the Supreme Court of this county last week. He refused to state the grounds upon which he managed to secure a writ in Kings County.

Charlotte Poillon was arraigned in the Court of Special Sessions to-day on an old conviction for assault. She slugged a negro bellboy in a hotel in which she and her sister were living in 1906, was found guilty and sentence was suspended. The suspension of sentence was continued to-day.

AUTOISTS ON FROZEN RIVER HAVE 15-MILE PERIL THRILL

SAGINAW, Mich., March 10.—Fifty miles in an automobile over honey-combed and melting ice, liable to give way every foot of the last fifteen miles, was the thrilling experience of Eduard Doan, of Saginaw, and John Milwee, an old-time pilot of Saginaw, who made a seven-hour trip from the latter place over Saginaw Bay and up the river to this city. Leaving Sebewain in a 20-horse-power machine, the travellers had exhilarating sport for twenty miles. Then they became lost, and but for a compass which the old pilot found in his pocket, there would have been no telling where they would have landed. They were out of sight of land and many miles out on the bay.

The autoists encountered numerous low lands and many very large holes. Frequently they bridged chasms with frail planks, and often these cracked and drifted compelled wide detours. The real excitement, however, came after they left Bay City, up the river. The honey-combed ice cracked all the way. There was open water on both sides of the mouth of the river and we were powerless to reach shore.

MET. TOOK STOCK AND PAID A 15 PER CENT. FINE

City Railway Company Absorbed Crosstown Road in
Odd Agreement.

More burdens under which the Metropolitan Street Railway Company staggered through its leased lines were revealed to-day in the suit of Attorney-General Jackson to dissolve the New York City Railway Company and revoke its charter, heard by Justice Davis in Special Term of the Supreme Court. Herbert R. Limburg, special counsel to the Attorney-General, got from Charles E. Warren, treasurer of the New York City Railway Company, the statement that on the \$90,000 of capital stock of the Central Crosstown Line the Metropolitan, under the lease of Feb. 14, 1902, pledged itself to pay stockholders of the Central Crosstown Line 15 per cent. interest, called a "rental."

Paul D. Cravath, counsel for the company, conceded this statement. There was also a funded debt of 6 per cent. first mortgage bonds and \$2,500,000 three-year notes outstanding against the Crosstown and the Christopher and Tenth street line, which was allied with it. The New York City Railway Company owned 5,000 of the 6,000 shares, capital stock, the other 1,000 being held publicly. The Metropolitan guaranteed also the interest on the funded debt.

No separate accounts of these companies were kept as the New York City Railway Company operated the line and Mr. Cravath declared that while he was sure there was no deficit it would be impossible to show from the books what the earnings of these prosperous lines were.

On March 29, 1905, 4,987 shares of this stock were exchanged for 3,177 shares of Third Avenue for the financing of a deal for the Metropolitan Street Railway Company, but the benefit of the New York City Railway. Finally every single share was gobbled up.

Under the lease of Metropolitan securing the \$2,000,000 "rental" and the \$1,000,000 of ten-year 3 per cent. debentures which were not to have been secured by collateral.

STOVER IN ORIENTAL CASE.
Obtains Delay for Attorney-General
In Adjusting Bank's Affairs.

Former Justice Martin L. Stover to-day appeared in the Appellate Division of the Supreme Court, representing Attorney-General Jackson in the Oriental Bank appeal for a stay to the order signed Saturday by Justice O'Gorman.

Mr. Stover, because of his recent coming into the case, asked for the indulgence of the Appellate Division and final arguments will not be heard for several days.

LAME BACKS RHEUMATISM

Another Cure By

"Accept my heartfelt thanks on behalf of my aged father, who for the past six months has been severely troubled with rheumatism in his left arm, so much so, that he could no longer work at his tailoring profession, and after consulting the leading specialists of this city, and trying enough so-called remedies to sink a boat, we finally made up our mind that he was a hopeless invalid. I can truthfully assert the fact that my father's paralyzed arm regained its full vigor and is to-day as well as it ever was, after using Minard's Liniment. It is really too good to be true, but nevertheless my father has never again suffered pain since using your Liniment. Very gratefully yours, Francis N. Spicola, 88 Penn St., Providence, R. I."

Minard's Liniment was prescribed by Dr. Levi Minard in his private practice fifty years ago. It is the most effective, economical, and cleanest external application for rheumatism, neuralgia, pleurisy, stiff, twisted joints, sprains, strained, or lame muscles, tired, aching feet, any pain or ache, as well as for throat and lung troubles, and as a general family medicine. So pure and antiseptic, so powerful, penetrating, and soothing, Minard's Liniment has justly earned its title, King of Pain. Get it to-day. Remember, the 50-cent bottles contain three times the quantity of the 25-cent size.

ARCHBISHOP FAVORS ANTI-GAMBLING BILL

Senator Agnew Files Letter
Stating Prelate's Stand in
Race Track War.

(Special to The Evening World.)
ALBANY, March 10.—The Senate Codes Committee will vote on the anti-race track gambling bill to-morrow, and if the influence of Senator Hill, Chairman of the committee, counts for much, the measure will be reported. Hill says he will do all he can to get it out. At the request of the Jockey Club, Senator Davis has postponed until March 11 the hearing on the race track bill which is the companion to that in the Codes Committee. The hearing was scheduled for to-morrow.

Senator Agnew filed to-day with Chairman Hill a number of letters favoring the Agnew bill. One from Father Lavelle states that Archbishop Farley is quite willing to go on record in favor of the measure.

The EDISON PHONOGRAPH

THE young folks wander away from the home circle in search of music and entertainment. It is so easy to entertain them at home, better than they can be entertained anywhere else, and it is such innocent amusement, by means of an Edison Phonograph, which

furnishes music for dancing

gives all the new popular songs of the theatre and selections from the grand operas and concerts, and reproduces band music, the old ballads and love songs so perfectly that it is hard to believe that it is not the real music or voice to which they are listening. Parents owe it to their children to investigate the merits of the Edison Phonograph, and not confound it with any other kind of talking machine they may have heard.

Go to your nearest dealer and hear the new Edison model with the big horn, or write today for a catalogue describing it.
